

Vi-M Talent Assist

Vi-M professional solutions is a niche indigenous professional consultancy firm, made up of a team of young, innovative and vibrant minds whose goal and mission is to assist businesses cut through the complexity and challenges in the business world. We provide tax, accounting, financial advisory, audit, management consultancy and corporate communications related services.

Our firm is led and supported by a team of seasoned professionals from across three multinational professional services firms and has achieved significant milestones since commencement of business. Learn more about us on www.vi-m.com.

It is a known fact that humans make businesses and organisations work. Therefore, talent hiring, training, development, retention, motivation, management and properly structured exit are crucial to the success of every business venture.

With our proven track record in identifying, training and managing quality employees, we, at Vi-M Professional Solutions, through our Talent Assist, provide support to talents and business organisations in everything regarding human capital management, with the goal of making our individual clients and business organisations even more successful.

Vi-M Talent Assist is part of our collection of business support products which we refer to as 'Business Assist'. Other products in the Business Assist bouquet includes: Start-Up Assist, Start-Up Assist Plus, Post Start-Up Assist, Growing Business Assist and Expanding Business Assist; designed to assist and support businesses at different stages of their life cycles.

The plans are flexible, to allow for choice of specific services or separation of services within each bouquet, in line with the peculiar needs of our unique clients.

Our Fee

Each choice of service from the bouquet attracts a separate fee. Our fees are affordable, negotiable and flexible, to accommodate the different peculiarities of our unique clients. We are also open to agreed instalment payments on the plan.

Services covered by Talent Assist are as follows:

Services covered

- Staff recruitment at all levels
- Staff training at all levels
- Payroll management, salary payments through us, absence tracking, pay slips, statutory compliance requirements for employees etc.
- Designing of staff key performance criteria (aligned with the organisation's goal) and appraisal processes, promotions, rewards, discipline and whistle blowing systems
- Staff audits
- Advisory on retrenchment and retirements
- Human resource policy and procedure manual
